# What's the Buzz about Bees?

*Presented by Dr. Rufus Isaacs, MSU Professor and Extension Specialist*

*Wednesday, May 6, 2015*

*Doors Open @ 7:00 PM, 7:30 to 9:00PM Presentation and Q&A*

*St Daniel's Church, Cushing Center Hall (7010 Valley Park Dr, Clarkston)*

Join us as we learn about the interactions between native plants and pollinators, as well as hear an update on the status of our native bees.

The public is welcome and encouraged to attend this **free** North Oakland Wild Ones event. Donations are always welcome to help bring future educational opportunities!

### **About Dr. Rufus Isaacs**

*Research in my lab group is focused on the ecology and behavior of insects in perennial fruit crops. We study insects that are pests, natural enemies, and pollinators within these agricultural systems and in the surrounding landscapes.
