Landscaping for the Birds, Butterflies and Water Quality

Amanda O'Parka and Abby Lane, Clinton River Watershed Council

Wednesday, October 7, 2015

Doors Open @ 7:00 PM, 7:30 to 9:00PM Presentation and Q&A

The Birdfeeder (7150 N Main St, Clarkston)

CRWC will provide an overview of the Clinton River and its Watershed, the current water quality issues that it faces, and ways individual homeowners and communities can design their gardens and landscaping to help improve the health and quality of the watershed. This presentation includes lots of free handouts with information on how to choose what to plant, where to find native plants, and several key native species to keep an eye out for.

The public is welcome and encouraged to attend this **free** North Oakland Wild Ones event. Donations are always welcome to help bring future educational opportunities!

The Birdfeeder will be open for business, so get ready to shop!
