# Native Plant Sale

*Wednesday, July 15, 2015 (11 AM to 5 PM)*

*Clarkston Independence District Library (6495 Clarkston Rd, Clarkston)*

In conjunction with the **Clarkston Garden Walk**, we will be hosting a plant sale at the location where the garden walk begins. We will be among many local vendors at the Artisan Market.

- Eight different native plant species, all in 2" pots.
- Plants selected for their adaption to a variety of soil, water, and sun conditions.
- All support our native pollinators.
- They all produce beautiful flowers that will enhance any garden.

*Cash or check accepted to purchase these native beauties—no credit cards!*
