*PRESENTS*

# TAKE A WALK ON THE WILD SIDE

**WEDNESDAY SEPT. 17, 2014 6:30PM**

***Join us at the E.L. Johnson Nature Center***

***3325 Franklin Road, Bloomfield Township***

We will meet at the Visitors' Center. Naturalist Dan Badgley will present a brief history of the 35 acre property and then lead our ½ mile walk. Along the trails, we'll see and hear about *fall blooming native plants*, ecological restoration of *prairie-savanna*, forest restoration, and prescribed burn results. The Nature Center includes a large pond and a tributary of the Rouge River.

The E.L. Johnson Nature Center opened in 1970. Dan has been the manager of the Center for 26 years. The Nature Center is operated by the Bloomfield Hills School District.

All are welcome! Bring your friends!

*This event will happen rain or shine, unless there is lightning.*

*"Free Will" donations are accepted to continue bringing you great educational opportunities about wild flowers, native plants and natural landscaping.*
